ISSUANCE DATE: **January 6, 2021**

RFP NO.: **RFP No. ASPA21.003 A/E WW Collection System – Matu'u/Faganenea**

SUBJECT: **Addendum No. 2**

The American Samoa Power Authority hereby issues Addendum No. 2 to amend Request for Proposals (RFP) requirements. This addendum is issued pursuant to the conditions of the RFP documents and is hereby made part of the RFP. The addendum serves to clarify, revise, and supersede information contained in the RFP. The Offeror must acknowledge receipt of this addendum in the appropriate space provided in the Addendum Form. Failure to do so may subject the Offeror to disqualification.

1. The closing date for this tender has been extended as follows:

Closing Date: Monday, February 8, 2021 at 2:00PM

Bids received prior to this date will not be opened until the bid has officially closed on the date listed above. Addendum #1 incorrectly stated the year as 2020.

2. Responses to inquiries received regarding this tender are listed on the following page.

Should you have any questions or need clarification, please call me at (684) 699-3057 or procurement@aspower.com.

Sincerely,

Renee Leotele Togafau Mata'utia
Procurement Manager

Please sign and date below to acknowledge receiving Addendum 2. You may return this document via email at bids@aspower.com or procurement@aspower.com, or the ASPA Procurement Office.

ACKNOWLEDGEMENT OF RECEIVING ADDENDUM 2

ASPA21.003 WW A/E WW COLLECTION SYSTEM - MATUU/FAGANEANEA

No.	Question	Answer:
RFI #2 - Addendum #2 - ASPA21.003		
1	Because septic tank and cesspool abandonment is required, we assume that identification of impacted property owners will be required to determine the locations of the these items and the locations of their existing sewer laterals. Additionally, because access to each property will be required for locating, abandonment and hookup; property boundary information and some form of access agreement for each owner will need to be obtained. How much of this work and coordination is to be included in this proposal and what items will ASPA take care of?	ASPA will coordinate with all land owners
2	In order to construct new gravity sewers to serve the subject villages of the RFP, existing right-of way information will need to be provided. If no right-of-way exists in certain areas, easements will need to be obtained. Are legal descriptions for these easements to be included in this proposal and who will be responsible for obtaining these agreements with the property owners? Both permanent and temporary construction easements may be required.	ROW easements shall be handled by ASPA ROW
3	Is any public outreach with the property owners to be included with this proposal or will this be handle locally by ASPA?	Public outreach shall be conducted by ASPA
4	Bid Bond From IV SUBMITTALS, B The contractor will provide a cost bid as outlined on Attachment L, the Bid FORM. There is no attachment, please clarify.	Please disregard the reference to Attachment L. Bidders may submit their cost proposal in a format of their choosing. ASPA may require bidders to provide a breakdown or clarifications of their cost proposal.
5	"XXIII. OFFEROR'S QUALIFICATION DATA, 3. Please list any sources/suppliers/manufacturers of materials and prefab elements." (pg 17) Please clarify if this is applicable as the RFP is addressed to consultants (and not to contractors).	This section does not apply.
6	"XXXI. BUSINESS INSURANCE, 5. Builder's Risk Insurance" (pg 21) Please clarify if this is applicable as the RFP is addressed to consultants (and not to contractors).	This section does not apply.
7	"XXXIV. ADDITIONAL AMERICAN SAMOA REGULATIONS, 6. Equipment and Project Warranty and Maintenance Requirements" (pg 23) Please clarify if this is applicable as the RFP is addressed to consultants (and not to contractors).	This section does not apply.
8	ATTACHMENT F Bid Bond Security. "The Bid Bond Security in the sum of 10% of the total bid amount must accompany each Bid and shall be furnished to the American Samoa Power Authority as a guarantee and will be retained until the written contract between the Contractor and ASPA is executed and the <u>performance and labor and materials payment bonds are furnished by the Contractor.</u> If the Contractor fails to enter into a written contract, ASPA will retain the Contractor's Bid bond as liquidated damages, but not as a penalty." Please clarify if the underlined text is applicable as the RFP is addressed to consultants (and not to contractors).	That is correct- the underlined section does not apply.
9	If we were to do so would this in any way affect us from being able to bid the construction phase when it comes out at a later date? Just wanted to make sure there would be no conflict of interest with this if we were to be involved in the design and engineering work.	Can bid for both
