SCOPE OF WORK

A. GENERAL

Qualified Alia Boat/Vessel owners provide a proposal for **Alia Boat Vessel Inter-Island Transportation Services for Manu'a**. All Alia Boat/vessel must be registered with a valid license from the Department of Public Safety, Marine patrol Division.

B. DOCUMENTATION

Alia Boat/Vessel Owners must provide the following information:

1. Type of Vessel and Make (for each available vessel)
2. Registration Number or Certificate certifying that the vessel is registered
3. License Number and License as approved by the Department of Public Safety
4. Type of Engine and Horsepower
5. Name of Owner or Business
6. Names of all authorized operators
7. Vessels must be equipped with proper flotation and safety devices as approved and recommended by the United States Coast Guard. Owner shall provide proof of these devices.

C. SERVICES PROVIDED

Alia Boat/Vessel owners will be required to provide transportation between Ofu and Ta'u for ASPA personnel. Owners may also be required to transport any of the following items:

1. Small equipment and supplies for ASPA's electrical T&D, Power Generation, Water, Solid Waste and Waste Water Divisions
2. Mail for customer billing, and any other documents as needed for ASPA operations
3. Engines and/or engine parts
4. Cable poles, power poles and accompanying hardware
5. Streetlights
6. Concrete, cement mixer
7. Pressure washer
8. 5-10kw generators
9. 55 gallon drums
10. Water samples
11. Chlorine bottles and pipe fitting
12. Any other ASPA equipment that may be safely transported over the water through the use of the contractor's alia/boat/vessel
